## OFFICE OF THE MAYOR City of Logan

5 June 2020

Mick de Brenni MP  
Via email: [Springwood@parliament.qld.gov.au](mailto:Springwood@parliament.qld.gov.au)

Dear Minister de Brenni

### ROCHEDALE ROAD AND PRIESTDALE ROAD INTERSECTION

Thank you for your letter regarding the intersection of Rochedale Road and Priestdale Road.

With respect to the intersection, I can assure you that this roundabout is very much on my radar, thanks to the determination and vigilance of Councillor Lisa Bradley, who as you would know, is very passionate about this particular project.

With great opportunities available for South East Queensland, with a collaborative effort by all our colleagues across the region, I am certain we can enhance the lives of all our communities.

I am aware that the intersection at Rochedale and Priestdale Roads has been experiencing congestion for several years and Logan City Council is supportive of an upgrade.

The funding commitment of \$14 million made by the Federal Government was a welcome response to the congestion being experienced by our residents.

Brisbane City Council are taking the lead in undertaking the jointly funded planning work for this intersection. Our engineering officers will continue to collaborate with Brisbane City Council for the preliminary planning undertaken on this intersection and continuing through future stages of the project.

Logan City Council has made a commitment to progressing this intersection in the capital program in line with the timeframes suggested by Brisbane City Council and is committed to progressing a formal funding agreement to deliver this upgrade.

I also am available to discuss this directly with yourself if this can assist in more expediently finalising this project for the benefit of our Logan community. My Executive Assistant, Ms Conny Maxwell, is available on (07) 3412 5218 or email [mayor@logan.qld.gov.au](mailto:mayor@logan.qld.gov.au).

Yours faithfully

Mayor Darren Power
