Dear Minister *Mick*

Thank you for your letter of 24 April 2020 about upgrading the intersection of Rochedale and Priestdale Roads, Rochedale. Thank you also for your kind words of congratulations following the Council election on 28 March.

I can confirm that Brisbane City Council and Logan City Council are collaborating to deliver this project as quickly as possible. As you are aware, through its Urban Congestion Fund, the Australian Government is contributing funding to this important project, and their assistance is appreciated.

The transport analysis has clearly identified that the optimum solution is to upgrade the roundabout to a high capacity, signalised intersection. Given the presence of several schools nearby, it is also intended to include appropriate infrastructure for pedestrians and cyclists to improve traveller safety.

Thank you for your ongoing interest in the project.

Yours sincerely

Adrian Schrunner  
**LORD MAYOR**
